Explanation of Fees

Utility Fee & Tuition: *Faith* has never charged for tuition. Tuition is payment for education, and the education at this school is without charge. The utility fee helps cover some of the institution's utility costs – electricity, heat, repairs, etc.. Since its inception, *Faith* has operated on a faith basis, and for over forty-five years, God has sustained this school through the generous gifts of its donor. The story and method of *Faith's* financial existence is explained in greater detail in the *Student Handbook* (issued upon acceptance to *Faith*).

Activity Fee: The annual Activity Fee includes a yearbook, graduation banquet ticket, Student Association activities, and a student ID card.

Senior Class Trip: Prior to graduation the senior class takes a trip. The cost is set by class vote. The senior year class dues of \$100 per person are used towards this trip. Any expense above this amount is to be paid by the student.

General Financial Information

SWAP – Work Scholarship Program: Students may obtain a significant discount on the utility fee by participating in SWAP (Student Work Assistance Program). Scholarship participants will perform assigned tasks (such as cleaning, grounds keeping, kitchen help, etc.) for a set number of hours weekly. The SWAP participant’s account will be credited a set amount for each hour worked. Details of this program and how to apply for the SWAP scholarship are clearly outlined in the *Student Handbook* (issued upon acceptance to *Faith*).

Early Arrivals & Vacations

All students are expected to leave campus during breaks (Thanksgiving, Christmas, Spring Break, etc.). Any student who has no place to go must see the president for permission to stay. Those who are granted special permission to stay must work four hours daily and must provide their own meals. Any student returning early from break must obtain permission from the president at least 24 hours in advance. Those who arrive early without permission will pay a fine of \$20 per day and may be required to participate in the planned work program.

Housing

Single full-time students are required to live on campus. Exceptions may be made by the president. Married students without children have the option of living on campus in a single room or off campus at their own expense. Due to the lack of on campus facilities, married students with families need to live off campus at their own expense.

Employment

Off-campus students: Off-campus students may hold off-campus employment if their work schedule does not interfere with school activities.

On-campus students: On-campus students may work. Employment must not interfere with school activities. Permission to break curfew for employment purposes must be obtained from the administration.

Note: At no time are students permitted to work on Sundays.

Payments

Payment of fees can be made via cash, check, credit card, or debit card. Credit/Debit card payments can be made on-line at www.faithschool.org, by phone, or in person.

Discounts and Refunds

Minister’s Children: If a definite need is evident, a utility fee discount may be applied to the unmarried children of active, full-time ministers. The minister should request this discount by contacting the president.

Withdrawals: A student who leaves *Faith* during the first four weeks of the semester will receive a 50% refund of all monies paid. No refund will be made thereafter.

Veterans: The refund of registration and utility fees will be pro-rated on the ratio of instructional days completed to the total number of instructional days available.

Charitable Contributions

Faith School of Theology is a tax-exempt institution. All donations are considered by the IRS to be charitable contributions that can be used as deductions for income tax purposes.
