

Dr. Jeffrey A. Bell
President

This is a time like none other. And for this time, you were destined to live. You could have been born a millennium ago, but God chose *this* era for you. Your life is not an accident but the product of Masterful design and purpose. Therefore, every step you take matters. Many lives depend on what you do.

The training you receive is as critical and as significant as the call God has placed upon your life. Your preparation must be more than academic; it has to be spiritual and practical as well. That is the kind of instruction *Faith* provides.

Faith is not an ordinary school. It is designed for those whose pursuit is total dedication to full-time Christian service. It is a training place for believers who refuse to be satisfied with status-quo living and want to live totally devoted to fulfilling their God-given potential, thereby impacting the world around them.

Do you desire to give yourself unreservedly to fulfilling God's plan? Do you want to be refined, developed, and prepared for ministry? Are you willing to give your all to be formed on the potter's wheel? Is your heart's cry to be a vessel God can use? Perhaps *Faith* is the place for you. *Read on!*
